

Sustainability Management School (SUMAS)

Graduate employment rate within 12 months after graduation

The following table represents the data about SUMAS graduates for the following academic years: AY2014 - 2015; AY2015 - 2016; AY2016 - 2017 and 2017-2018. It represents the percentages of total graduates employed within 12 months after graduation, unemployed, not actively pursuing and unavailable for work. This table includes the graduates for the following programs: Bachelor in Business Administration, Master in Business Administration and Master in Arts of Management.

	Total graduated students	Employed FT and PT	Unemployed but seeking employment	Not actively seeking work (e.g. pursuing further study, started own business venture)	Other unavailable for work (e.g. military service)
Total graduated students	39	All Full-Time	5	0	0
Percentage		87.18%	12.82%	0%	0%
