# **Business & Sustainability**

**Become the next generation  
responsible business leader**

I enjoyed the warm welcome from the university during the 5 weeks visits and had fun during the outings in wetlands and conservation sites.

- Anita Urassa, SUMAS IBCP Alumna

Provides students with the foundational knowledge on managing sustainability and helps develop competences to become responsible leaders.

Participate in our Sustainability Leadership Camp and attend dynamic and engaging courses and outside activities at our Swiss and Italian campuses.

Fast track into one of our bachelor programs.

Receive a 30% scholarship and earn 12 US credits toward our bachelor degree.

### Choose one of SUMAS pathways:

#### Sustainable Fashion

Learn the core issues and challenges of sustainable fashion

#### Sustainable Hospitality

Discover eco-tourism and learn how to educate responsible travellers

#### Nature Conservation

Visit nature conservation sites, learn how to preserve biological diversity

### Diverse International Career Opportunities

I enjoyed the diversity of the school and the different topics at hand to learn. The teachers were very enthusiastic and welcoming which created a great sense of unity.

- Harry Pryke, SUMAS IBCP Alumnus
